

HOUSING APPLICATION

Applications are considered based on the date the completed application and payment are received, as well as your eligibility for available spaces. Due to facility and space constraints, roommate, facility, and room-type preferences cannot be guaranteed. Students who apply by 5:00 p.m. EDT on March 15th receive priority consideration for on-campus housing.

Student Meal Plan Information

Meal plans are available to all residents but are **REQUIRED** in Ball Residence, University Tower, and North Hall. Dining options are available around campus including a full traditional dining facility, located in University Tower. To learn more about meal plans, visit mealplans.iupui.edu. To learn more about campus dining options, visit dineoncampus.com/iupui. Direct all meal plan inquiries to meals@iupui.edu or call (317) 274-2700. All meal plan charges are at an additional cost.

Special Accommodation Requests

The University is committed to assisting students with specific ADA and medical-based accommodation requirements. Requirements are only considered once the student has completed the registration process through Adaptive Educational Services (AES). Students are encouraged to register with AES within 10 days after applying for housing to allow the university to best consider their accommodation needs. The timing of your housing application, completed AES registration, and availability impact the University's ability to meet the accommodation needs. Please contact AES to register or with questions at 317-274-3241 or aes.iupui.edu.

*****DO NOT SEND MEDICAL INFORMATION TO THE HOUSING OFFICE*****

Residential Based Learning Communities (OPTIONAL)

Residential Based Learning Communities (RBLCs) are specific floors, areas, or buildings where students request to live near others that share an interest in a particular theme or academic area. Please visit go.iupui.edu/rblc for details about each of the RBLCs. If you would like to live in a Residential Based Learning Community after reviewing the options online, please write in the name of the RBLC in the line below. Please note, RBLC selection will take priority in our assignment process and may limit the ability to accommodate a room type or roommate preference.

Requesting Specific Roommates (OPTIONAL)

Students with a signed housing contract can enter a roommate request from June 1 – June 30 in the Housing Service Center at housing.iupui.edu/hsc. Roommate requests will be considered whenever possible, but are not guaranteed. Below are the steps that you and anyone you are wanting to live with must complete in order for us to consider a request:

- » Complete your housing application at the same time as the person with whom you want to room. Applying at different times means you may get different housing assignments.
- » Ensure your housing application preferences are all entered the same, including any updates you make later through the Housing Service Center.
- » Sign identical contracts, for the same building, room type, and RBLC (if applicable).
- » Once the roommate request process opens in the Housing Service Center, make sure you have mutually requested each other.

If all of the items above are not completed, housing cannot ensure placement with your roommate request. If you have questions or are unsure of the steps or process, please contact our office.

By signing below, I acknowledge the following:

- The \$50 application fee is non-refundable, even if I do not attend IUPUI.
- The information included in this Housing Application is accurate and complete.
- This is not a housing contract and I am still required to sign a contract and pay the \$400 prepayment at a later date to secure a housing space.
- This application is separate from any other application or enrollment to the university and it is my responsibility to cancel my housing if I no longer plan to live on-campus.
- Due to demand and space limitations, I am not guaranteed to receive the preferences requested in this application.
- I may be offered a space based on availability when the housing office reaches my application date.
- The University makes all assignments without regard to race, color, religion, national origin, sexual orientation, or veteran status and rejects all requests for placement or changes of assignment based on such.
