

Welcome to the LYFE Scholars Program and Application Process!

This is a scholarship opportunity to get first year students better acquainted to college and the tools that will assist you in being successful at IUPUI. As we all know, no two students are the same and so as part of this scholarship, you will decide how programs fit into your LYFE portfolio of program attendance. We have a series of programs and activities to choose from this semester that will help you to develop your academic and personal skills while also earning you money!

If you have any questions, contact the Housing and Residence Life Academic Initiatives staff at [lyfe@iupui.edu](mailto:lyfe@iupui.edu).
